# Our Story

## Company Overview

Alhaddad Services has proudly stood at the forefront of the printing industry for over 26 years, delivering reliable, innovative, and high performance solutions across the Kingdom of Saudi Arabia. What began as a small operation has evolved into a trusted name in the business printing sector known for professionalism, integrity, and results.

Our commitment to excellence and client satisfaction has earned us long term partnerships with high profile clients and organizations. At Alhaddad, we don't just deliver machines. we deliver peace of mind, speed, and service that businesses can depend on.

# Our SERVICES

## Comprehensive Offerings

**Printer Sales**  
We offer a wide range of high-performance printers from leading global brands. Whether your business needs a compact solution or an enterprise level machine, we provide tailored recommendations and seamless delivery.

**Printer Rentals & Lease-to-Own Options**  
Flexible plans to match your business goals. Choose short term rentals for events or temporary needs, or opt for lease to own packages that let you own premium equipment with manageable monthly payments.

**Repair & Maintenance Services**  
Our experienced technicians provide fast, reliable on-site maintenance for all major printer and copier brands. Preventive care and emergency repairs. we ensure your workflow never stops.

**Copier Spare Parts Sales**  
We stock a full range of original spare parts for copiers and printers, including drums, toners, fusers, rollers, and more ensuring your machines run smoothly with maximum uptime.

**Kingdom Wide Technical Team**  
Our dedicated in house service team operates across the Kingdom, providing expert support, installations, and troubleshooting wherever you need us, we're there.

### Technical Department

Our Technical Department has been a key pillar behind the long-term success of Alhaddad Services.

We have a team of highly skilled and experienced technicians who are capable of handling all types of machine related technical issues with professionalism and precision.

Our Annual Maintenance Contracts (AMC) are designed to be cost effective covering everything from toners to spare parts giving our clients complete peace of mind and freedom from daily printing worries.

We are proudly known in the market for our quality service, quick response, and on-time support because for us, your uptime is our priority.

### Sales Department

At Alhaddad Services, our Sales Department offers the latest, brand-new photocopiers for our valued customers. We stock machines from some of the world's most trusted brands including Konica Minolta, Canon, Xerox, Toshiba, and Sharp.

We also supply a wide range of original and compatible toners for all types of printing machines including plotters, inkjet printers, laser printers, and every kind of photocopier.

In addition, our extensive inventory of spare parts includes drum units, developer units, gears, rollers, and much more compatible with almost every type of photocopier, printer, and plotter.

# COMMITMENT to Quality

At Alhaddad Services, quality is not just a promise, it's our identity. With over 26 years in the printing industry, we have built a reputation for uncompromised standards, reliable products, and expert support. Every machine we deliver, every service we perform, and every spare part we supply goes through rigorous quality checks.

# OUR MISSION and Vision

## Mission

To provide cutting edge printing solutions, maintenance services, and equipment leasing that empower businesses to operate smoothly, efficiently, and without interruption. We are committed to delivering high quality services with professionalism, reliability, and client satisfaction at the core.

## Vision

We aim to become Saudi Arabia's top printing service company by 2030. As part of Vision 2030, we are contributing to the future of digital systems, smart offices, and fast, reliable service across the Kingdom.

# OUR TEAM

Dedicated Professionals

At Alhaddad Services, we believe that great service starts with great people. Our team is made up of skilled professionals who are passionate, experienced, and fully dedicated to customer satisfaction.

From certified technicians to friendly support staff, every member of our team is trained to handle challenges. Whether it's on-site repair, maintenance, or equipment installation, our experts deliver reliable results, every time.
